## OBJECTIVE

A background in graphic design with a focus on web design, coupled with training in web development and computer programming makes me a great asset to any team requiring a programmer with an eye for user experience. My work would ideally allow me to use my education to its fullest, though a focus on programming is preferred.

---

## SKILLS

### Programming:

- Languages: HTML, CSS, PHP, JavaScript, C++, C#, VB.NET
- Microsoft SQL Server Management Studio
- Bootstrap
- ASP.NET MVC

### Design:

- Web Design
- Adobe Creative Suite
  - Illustrator
  - Photoshop
  - InDesign

### Other:

- Capable of organizing groups of people by assigning tasks that focus on strengths while minimizing weaknesses
- Organize and self-motivated worker

---

## EDUCATION

Durham College, April 2018  
*Two Year Diploma, Dean's List*

### B.A., Graphic Design

Portland State University,  
December 2013  
*Earned with a focus on Web Design*

---

## WORK EXPERIENCE

### Database Development Research Assistant

Durham College ORSIE

*January 2018–Present*

Created new database architecture from scratch to serve as the new home of a company's existing 20+ year old system using Microsoft SQL Server Management Studio, to improve report speeds and allow for future database growth.

### Web Development and UX Research Assistant

Durham College ORSIE

*January 2018–April 2018*

Worked alongside one other student to create a MVC based product website. Focus was mostly on front-end coding and user experience.

### Web Development and UX Research Assistant

Durham College ORSIE

*February 2017–July 2017*

Worked with multiple teams of student workers to develop systems to client specifications. One project was front and back-end programming for a company's landing page, the other was focused on Android application development and user experience.

### Freelance Illustration

Freelance/Self-employed

*February 2015–July 2016*

Created illustrations and designs for clients.

### Food Service Supervisor

Cascadia Market at Oregon State University

*April–June, 2014 & September, 2014–January, 2015*

Kept sales floor organized, created sales displays, directed & kept workers on task, assisted customers.

---

## VOLUNTEER/OTHER EXPERIENCE

### Friendtorship

October 2013–December 2013

Portland State University

Worked with high schoolers from Centennial Park School to make art and help nurture creativity. Organized and ran workshops with the students.
